Dear Potential Sponsor:

The Inner City Soccer Club is a non-profit organization run primarily through volunteer efforts. Our club is successful, in large part, due to our great sense of community spirit and community support. We have over 250 neighborhood kids playing in our program, ranging from 5 to 19 years old. Inner City Soccer Club fields recreational teams year round playing in-house leagues and activities sanctioned by Indiana Youth Soccer Association.

We are dedicated to not only promote youth soccer and the positive aspects that team sports play in the lives of our children, but also developing skilled soccer players with a long lasting love of the sport. To achieve our goals requires more than just volunteer efforts. Local, individual and corporate sponsorship donations are an important part of the successful program we provide the families of Inner City Soccer Club. Your donation dollars helps us keep our registration fees affordable for all members of our community and contribute to our on-going equipment, maintenance and facility improvement needs. It also allows the club to offer special clinics and other programs that further the development of our children's soccer skills, social skills and their all-round physical fitness. Our club focuses on giving the economically disadvantaged the opportunity to participate.

We continue to value the long lasting relationship with our loyal sponsors and hope new sponsors will contribute to our worthwhile program. In the 2006 season we have redesigned our sponsor program to include some exciting changes as part of our efforts to continue to meet the soccer needs of our fast growing community. This year's program provides different levels of sponsorship, the opportunity to sponsor special events, and the addition of new benefits for our sponsors. We would like to have your support by providing a sponsorship donation to the Inner City Soccer Club. We welcome contributions at any level as explained on the attached page
